**Narrator:** Dr. Josiah Tayali

**Author:** Gina Wahlen

**Main Character:** Dr. Josiah Tayali

**Location:** Zanzibar, Tanzania

## Summary

- A senior **government leader** from **Zanzibar** became **ill** while visiting mainland **Tanzania** and received **treatment** at a **Seventh-day Adventist** clinic.
- **Impressed** by the **care** he received, he **invited** the **Adventist Church** to **open** a similar **clinic** on Zanzibar Island.
- For many years, Adventist **mission work** on Zanzibar had faced **challenges**, making this **invitation** a remarkable **opportunity**.
- With government **support** and God's **leading**, the **church** secured **approval**, purchased buildings, and prepared a **medical facility**.
- **Dr. Josiah Tayali** helped **establish** the **clinic** and **organize** its services so that it could **serve** the local **community**.
- The **Zanzibar Seventh-day Adventist Dispensary** opened in **1988** and soon **gained** the **trust** of both **community members** and **government leaders**.
- For nearly **four decades**, the **clinic** has provided **medical care** while reflecting **Christ's ministry** of **healing** and **compassion**.
- Looking back, **Dr. Josiah** describes the **clinic** as a **miracle** because God **opened doors** that no one **expected**.

## Key Lesson from the Story

- **God** can **use** acts of **kindness** and **medical ministry** to **open** doors for the **gospel**.

## What This Means for You

- **Never** underestimate the **impact** of **serving** others with **compassion**.
- **Trust** God when He opens **unexpected** opportunities for **mission**.
- **Support** ministries that combine **healing** with **witnessing**.

## Takeaway

- One patient's **experience** opened the **door** for a **ministry** that has **shared** Christ's **healing love** with Zanzibar for **generations**.

## The Project We Are Contributing To

- The **Zanzibar Seventh-day Adventist Dispensary** has **served** the **people** of Zanzibar for almost **40 years**.
- The **current buildings** have **aged** and now need **replacement**.
- This quarter's **Thirteenth Sabbath Offering** will help construct **modern** clinic buildings.
- The **new** facilities will **strengthen** the clinic's **mission** of sharing **health, hope, and Christ's love**.
